(OUR BEST YEAR EVER)

THIS NOVEMBER, WE WILL BE CELEBRATING OUR 30TH ANNUAL HOLIDAY BASH.

Every October, we unpack thousands of boxes, decorate dozens of trees, and prepare for our biggest event of the year. This is when our store truly becomes enchanting and magical, a pure winter wonderland. We do not sell anything holiday related until our doors open on November 1st at 5pm so that everyone gets to experience our version of Christmas at once. Professional Tinker shoppers know to arrive early. For 4 days, we kick off the holiday season in style and watch our customer's eyes glimmer with excitement like a little kid. Every one from our family chips in; Michael Coleman and Susan Sutphin build unique window displays, the grandkids dress up as elves, family members wrap, and Sharon's sister Jean Cobb is known for her Tinker Toffee, Bourbon Toffee, and assortment of hand made desserts.
